

# GILLETTE GUN CLUB NEWSLETTER

## RANGE DEVELOPMENT

We had a very productive day for our work day at the club and the short pistol range is probably about 95 percent finished. We need to place one more shooting bench there and finish up the other three target backs. We would like to especially thank all of those that came out and helped.

## BANQUET

The banquet has been moved to October 24 so that we will get off of opening weekend of the Black Hills deer hunting season as requested by several of you. We hope that this works out. If anyone would like to be a corporate sponsor for the banquet this year, please contact one of the board members.

## CLUBHOUSE UPDATE

Due to some city building guidelines, the new clubhouse construction has been moved back until September. We plan on demolishing the old clubhouse and unless someone is interested in doing it a little at a time, we will have some company come in and have it removed in as short a time as possible. The small storage building next to the present clubhouse will also need to be moved so if you know of anyone that would like to possibly purchase that and move it out, please call a board member or come to one of the board meetings on any second Tuesday of each month at the clubhouse at 7:30.

## SUMMER LEAGUE

At present we have 37 league teams shooting trap this summer. We also would like to congratulate Tyler Thompson on a fine shoot in Vernal Utah last June. He recorded a 99 in handicap and was in a shoot-off for the handicap championship. Many of the all-Americans in the U.S.A. attended this shoot. Tyler was successful in capturing the runner-up trophy.

## NEW YEAR

Just a reminder that September 1 will begin the new membership year and keys and cards will be available mid August at all of the locations that presently sell them.

## ANNUAL MEETING

The annual meeting will be held at the Legion in the upstairs room this year. The old clubhouse should be coming down by then. It will be on the second Tuesday of September at 7:30 p.m. We will have refreshments and door prizes so plan to attend.

## OLD CLUBHOUSE

We are still looking to find some company that would be interested in demolishing the old clubhouse. If you know of someone or a business that would like to take this on, we would like them to contact us and give us a bid for this project. A call to any of the board members listed below would work.

## AUGUST EVENTS

**August 16**

Powder River Shootout

**August 23**

Baker Hugnes Benefit Shoot  
Entry forms available at the Gun Club

## THANKS

We would like to thank Chuck Badger for his past service on the board. Business has taken Chuck out of town and he has chosen to resign. Craig Garwood has been selected to fill Chuck's vacancy. We wish Chuck and Jennifer the best.
