

# GILLETTE GUN CLUB NEWSLETTER

The rifle/pistol ranges have been being mined for lead over the past weeks but the project should be completed by the time of this letter. We are sorry for the disruption, but this was an opportunity to have our backstops and berms rebuilt and to generate some revenue at the same time. The club will get 10% of the net from this project and we should know what that amount will be when we have our next newsletter.

Workday found our usual small group carrying the load. The ten yard range is near completion and we only have the overhead canopy to find and put in place, along with the shooting benches. If you know of some conveyor belting that might be available, please give Marty a call.

The installation of the new septic system is complete.

There are fewer than twenty of the life memberships available and once they have been sold, there will be no more of them in the offering for quite some time. The cost on them is \$300.00. Gun Traders is the only location that has these for sale.

We have two registered trap-shoots remaining for the year. July 27th and 28th and also our Labor Day Shoot on August 31st and September 1st.

The Gillette Gun Club annual banquet will be November 1. Gun board tickets will be available soon. More information will be in the next newsletter.

We have 41 summer league trap teams this year, and that is outstanding for our shooting community. The first half of the fourteen week competition ends on July 3rd.

**Please do not let your children ride on the gate, it is not heavy-duty!**

On August 17th, the club will host the Powder River Shootout and this event is for coal mine and mine vendor employees only. On August 24th, Baker Hughes will be having their benefit shoot at the club also. This event is for oilfield and oilfield vendor employees only.

Entry forms for these two events will be available at the club anytime after July 15th on Monday through Thursday from noon until 7 p.m.

The new membership year will start on September 1st and new memberships can be purchased any time after August 19th at Gun Traders, Rocky Mountain Discount Sports, the gun club or from Dave and Vonnie at the mobile home next to the gun club. Please don't discard the old key until after September 1st!!

We should have some numbers on the new clubhouse in the next newsletter. The old clubhouse can be yours for the taking if you want it. You would be responsible for the cost of moving it off of the premises. We would need it to be gone by mid-November. Call a board member if you are interested. It is on a first come - first serve basis.

Please be respectful of Dave, as he checks people for membership cards. He is only doing what is asked of him, in trying to eliminate the cheaters. Thanks for your cooperation.

The annual meeting will be September 10th at 7:30 p.m. at the club house, and if you would like to throw your hat in the ring as a board member, this would be the time to do it.
